

28. (New) The data storage medium of claim of 26, wherein the first, second and third primary colors are red, green, and blue.

29. (New) The data storage medium of claim 26, wherein the first, second and third primary colors are cyan, magenta, and yellow.--

REMARKS

Claims 14-29 are presented for examination. Claims 1-13 have been canceled without prejudice and disclaimer of subject matter. Newly added claims 14-26 generally parallel canceled claims 1-13 respectively, but these new claims have been written to more clearly define the invention. None of new claims 14-26 is narrower than its canceled counterpart claim.

New claims 27-29 are dependent data storage medium claims which parallel dependent method claims 15-17.

Favorable consideration is respectfully requested.

Respectfully submitted,

Michael T. Gabrik
